

Poore cloche
206 Enello

Handwritten text in a cursive script, likely a historical document or manuscript. The text is dense and covers most of the page. It appears to be a list or a series of entries, possibly related to a church or a community, given the religious-sounding words like "poore" and "cloche". The script is somewhat difficult to decipher due to its cursive nature and the ink bleed-through from the reverse side of the page.
