In my life I have seen many things
and met many who were interested in
my life and in my work, but none
so kind as those who have been
with me here in New York, and
none so true and sincere in their
affection for me as those who have
been with me here in New York.
I am very grateful to all
of you who have been with me
here, and I thank you all
for your kind words and
for your interest in me.

~~El monarca nombra gobernador del Ondoy
al que le manda hacer lo que dice. Gobernador
en el reino como el que en su reino lo
haga. Pero el rey habla con su monarca solos
y no se oye de él. Y el gobernador no sabe
que el rey habla con su monarca.~~

causac,

in my life you find me in the condition of a child who
refuses to grow up, only seeking to amuse and please
all those who are around him. I am a simpleton, I
am a fool, I am a child, I am a baby in spirit. I
have no control over myself, I am a simpleton,
I am a fool, I am a child, I am a baby in spirit.
I have no control over myself, I am a simpleton,
I am a fool, I am a child, I am a baby in spirit.

1812-1813. 8 Dec. 1813. One mile from the
Cathedral. Enclosed ground & very dry open land. Well
drained. The soil is light brown or yellowish brown
with some dark brown streaks. It is very light &
loose soil. The surface is covered with small stones
and pebbles.
