li my Wiles Arrive  
li my two Years Long I have regret  
li my two Years Long I have regret

so he de nego avde -

En me un time off the way we were going  
we were going to see the children of the country  
we were going to see the children of the country  
we were going to see the children of the country

and we were going to see the children of the country  
and we were going to see the children of the country  
and we were going to see the children of the country  
and we were going to see the children of the country
