They see the power of the law of the
spirit is not in the law - the law is not
the law but the law of the spirit
and the law of the spirit is the law
of the spirit

But the law is not the law of the spirit
the law is not the law of the spirit
the law is not the law of the spirit
the law is not the law of the spirit
the law is not the law of the spirit
the law is not the law of the spirit
the law is not the law of the spirit
the law is not the law of the spirit

But the law is not the law of the spirit
the law is not the law of the spirit
the law is not the law of the spirit
the law is not the law of the spirit
the law is not the law of the spirit
the law is not the law of the spirit
the law is not the law of the spirit
the law is not the law of the spirit

But the law is not the law of the spirit
the law is not the law of the spirit
the law is not the law of the spirit
the law is not the law of the spirit
the law is not the law of the spirit
the law is not the law of the spirit
the law is not the law of the spirit
the law is not the law of the spirit

the law is not the law of the spirit
