

~ One of the dearest of friends  
I have ever had in my life  
is the one who has been  
Christ with me

~ Remember I am all yours  
and I am ever  
your devoted friend

~ I am so glad to hear of your  
success in your work and  
of the success of your  
missionary work. I am  
glad to hear that you are  
so well and that you are  
so happy. I am glad to hear  
that you are so well and  
that you are so happy. I am  
glad to hear that you are  
so well and that you are  
so happy. I am glad to hear  
that you are so well and  
that you are so happy.

~ I am so glad to hear of your  
success in your work and  
of the success of your  
missionary work. I am  
glad to hear that you are  
so well and that you are  
so happy. I am glad to hear  
that you are so well and  
that you are so happy.
