Y somos de la raza que cae en la miseria
y nos lleva a la muerte. Porque el Señor nos ha bendecido
en la tierra que nos dio y nos ha hecho vivir en la miseria.

18. 10. 1902. The new Cribby Dunes
is now well covered again and there
is no general soil available
in the area of the new dunes.
The larger Col Cribby are
the same as the old ones
but the smaller ones are
evidently due to the change
in the dunes.
